

EMPLOYMENT OPPORTUNITY

OPPORTUNITY

STEINER THUESEN PLLC is seeking an entry to mid-level landscape architect/designer. The position will assist our team in all aspects of project development including client contact, planning and design, and cost estimating as well as performing construction administration. Candidates should possess a positive and cooperative attitude with strong communication, organizational and design skills. This individual should be dedicated to quality work, be looking for an opportunity to grow individually and professionally, and be able to represent the firm with a high level of integrity and professionalism.

Qualifications

- A degree in Landscape Architecture.
- Applicants with 3 – 5 yrs. experience- licensed or a commitment to obtain licensure is a plus.
- 0 – 5+ years of employment in a landscape architecture or similar firm.
- Be passionate about landscape architecture.
- Demonstrate strong graphic, written and communication skills.
- Ability to operate MicroStation or AutoCAD
- Grading, drainage, irrigation design, and construction experience are preferred.
- Experience with In-Design and SketchUp are a plus.
- Proficiency in MS Office is required.
- Ability to work on multiple projects simultaneously while coordinating with other design disciplines.

Benefits include matched retirement plan for qualified employees, profit sharing, paid holidays and vacation. Professional development through training and continuing education programs.

COMPANY OVERVIEW
